*Congressman of said District
hereby officially recognizes the*

**Ravenna Army Ammunition Plant
Environmental Restoration Team**

“Secretary of the Army Environmental Award”

On behalf of the 13th Congressional District, it is with great pride that I congratulate the team on attaining this distinguished achievement. The Secretary of the Army Environmental Award represents the highest honor in the field of environmental science and sustainability conferred by the Army. These achievements demonstrate exemplary efforts in implementing innovative technologies, green remediation, endangered species protection, historic preservation, environmental restoration and sustainability. I applaud your exceptional devotion to enable and expand the military training at Camp Ravenna. I wish you the best in the future and congratulate the group on a well-deserved accomplishment.
